Invitation to Join 2007 Summit Faculty

You are enthusiastically invited to join the 2007 Florida Leadership Summit Faculty. The first two Summits (2005 & 2006) were a phenomenal success and we are quite excited about expanding that success in 2007. We now have the reputation for delivering *absolutely* out-of-the-box leadership training.

“**Leadership With Purpose**” is this year’s theme. Through the Summit’s Faculty and their presentations, we intend to explore and promote the many designs of true and purposeful leadership. The Summit is hosted by the Florida Academy for Management Executives (FAME).

We are looking for the best ideas, practices and programs that show how a person can enhance, refine and apply their leadership skills.

This is an opportunity for you to:

- Explain program models that can be replicated.
- Give examples of successful collaborations.
- Share success stories and best practices.
- Showcase your professional talents.
