

2006 Florida Leadership Summit Attendee Comments

A balanced program, great support materials and good networking.

Build on this summit and go into advanced leadership skills.

Let's keep on doing it. It's a great experience. Hope to bring some of my associates next year.

Good job. Well organized. Seemed to meet the needs of audience.

I have truly enjoyed this experience. I am returning fully charged and ready to go back to work with tools that promise a better tomorrow.

It was a great opportunity to learn a number of specific leadership aspects and even more importantly that these aspects/styles must be balanced.

Overall good experience. Motivational speakers to inspire for continued improvement in work environment. Networking opportunity.

The interaction/discussion/sessions worked - a balance of insight, knowledge and experience that will be a great resourcer for me.

Being amidst the energy, entertainment, & inspiration of speakers & colleagues & Barbara Ann

Excellent bonding opportunity with peers. that will be a great resource for me.

Excellent conference!
